Parents of Children in the Junior Class

24th February 2016

Dear Parents

We are organising an educational visit to support our curriculum work on rivers. This will be a walk along the River Calder next Wednesday 2nd March.

The walk will take place in the afternoon and we will be joined by a local historian, Mr Brian Jeffrey.

Children will need to wear school uniform on their top half but could they please wear jogging trousers or leggings on the bottom half? Could we please ask that a warm coat and suitable footwear (wellingtons or walking boots) are worn?

As the river was affected by the winter floods, there are lots of plastic bottles along the route, to do our bit for the community and for recycling, please send your child with a plastic bag so that we can clean up these plastic bottles. I will provide the children with latex gloves and they will only be collecting the plastic bottles, no other waste.

Yours sincerely

Mrs S Bellard
Teacher
